

Campbell Icefield Covid-19 Response Plan

The following is the Campbell Icefield Covid-19 Response Plan. It is to be followed by all guests and workers.

Pre-Trip Arrival

- Guests and workers must not have travelled outside of Canada in the previous 14 days
- Guests and workers must not have been in contact with anyone who has tested positive or shown symptoms related to Covid-19 in the last 14 days, unless proper PPE was used.
- Guests will acquire sufficient non-medical grade masks and hand sanitizer for a week's use

Staging

- Guests and workers will wear a mask when 2m distancing is not possible
- Guests and workers, not able to successfully complete the health questionnaire will not be allowed to continue the trip
- Guests and workers will be asked to complete a Covid-19 Health Declaration
- Questions will include
 - * Confirm that you aren't ill and haven't travelled outside of Canada in the last 14 days, nor has anyone living with them
 - * Confirm that they haven't been identified by Public Health as a close contact with someone with Covid-19
 - * Confirm that they aren't currently awaiting results from a recent Covid-19 test or been told to self isolate
 - * Confirm that they agree to wear a mask at all times during the helicopter flight.

Helicopter Flight

- Masks must be worn in the helicopter as per Federal regulations
- Alpine Helicopter will have final say on any passenger's fitness to go on the trip and requirements for PPE within the helicopter
- High touch areas of the helicopter will be disinfected between trips, as per Alpine's policy
- Onboarding guests will give distance to offboarding guests

Lodge Accommodations

- Guests from different households cannot share rooms
- Mask must be worn when 2m distance cannot be maintained
- All high traffic area hard surfaces, for example doorknobs and railings, are to be sanitized regularly

Shower, Toilet and Outhouses

- Shower and toilet areas are to be sanitized after use

Sauna

- Two occupants at a time
- Sanitize after use

Kitchen

- Kitchen is to be sanitized after use
- Eating and cooking items and utensils to be sanitized after use
- Kitchen occupancy to be limited to two people

Other areas of Lodge

- All areas of the lodge are to be cleaned and thoroughly sanitized at the end of the trip
- Incoming groups are to sanitize high traffic area hard surfaces upon arrival
- Stagger arrivals and departures to limit people at entrance and drying room
- Mask required where 2 m distancing not possible

Managing Covid-19 Symptoms

- If possible, designate one bedroom in lodge as "isolation" room.
- If no spare bedrooms, custodian cabin will be used to isolate guests with symptoms
- Report situation to Golden base
- Wearing appropriate PPE, sanitize all areas the person displaying symptoms, has occupied

In General

- Wear a mask when 2m distancing cannot be maintained
- Sanitize regularly all commonly used and touched hard surfaces
- Store personal belongings in sleeping quarters as far as it is reasonable and practicable
